EXPERIENCE & LEADERSHIP

Wafer Fab Operator

Intel (manpower) | Beaverton, OR | June 2025 – September 2025

- **Operated** specialized semiconductor production equipment according to manufacturing priorities in a highly regulated cleanroom environment.
- **Managed** the end-to-end production cycle, including processing customer orders, performing wafer dicing (cutting), and executing final packaging and shipping logistics for finished integrated circuits.
- **Conducted** visual quality control inspections and performed accurate data entry to track production progress and maintain quality standards.
- **Managed** the safe transport and handling of silicon wafer lots, strictly following all cleanroom, chemical, and wafer handling procedures.
- **Collaborated** with the production team to troubleshoot and resolve quality challenges, ensuring operational efficiency and productivity.

OSU Student Ambassador for The Script

Oregon State University, | Corvallis, OR | Oct 2025 – Present

- Served as the primary student ambassador for the Script Internship Program at Oregon State University, executing on-campus outreach and recruitment strategies.
- Tasked with driving a minimum of 40 program applications from underrepresented communities by building relationships with faculty, career services, and student groups.
- Managed monthly digital marketing campaigns on Instagram and LinkedIn to amplify program visibility and support recruitment events.

Diversity Learning Assistant

Oregon State University, UHDS | Corvallis, OR | 2024 – Present

- **Executed** social justice education programming (dialogues, bulletin boards, hall engagement) for a diverse residential community, directly fostering an inclusive and supportive environment for **400+ residents**.
- **Served** as a key university ambassador, strategically **connecting** residents to essential campus resources, including academic advising and mental health services.
- **Collaborated** consistently with the Assistant Director and hall staff to maintain community standards and promote social equity initiatives.

Community Relation Rep (CRR)

Lonnie B. Harris Black Cultural Center | Corvallis, OR | 2024 – Present

- **Directly connected** peers to critical campus resources (e.g., Academic Success Center, tutoring services) to support student experience and academic retention.
- **Executed** logistical and outreach efforts for community-specific and collaborative programming, including history and heritage month celebrations.
- **Managed** daily center operations, including resource material organization and maintaining a welcoming and inclusive physical space.
- **Acted as a representative** of the Cultural Resource Center, building relationships with student organizations and campus departments.

Kirubeti Teen Home Care | June 2025 – Present (during school Break)

- **Assisted** clients with anger management and emotional control.
- **Assisted** clients with daily living needs to maintain self-esteem and general wellness, and built strong relationships with them to provide emotional support and companionship.

Plumbing Sales Associate

THE HOME DEPOT, INC. | Beaverton, OR | 2022–2024

- **Engaged** proactively with **contractors, builders, and professional plumbers** to **promote business opportunities** and resolve complex inquiries, successfully driving departmental sales.
- **Provided expert product consultation** for a wide range of plumbing tools and materials, ensuring accurate and efficient selection for customer projects.
- **Developed strong sales presentation and communication skills** in a high-volume retail environment.

Caregiver

Yilma Gamachu | Tame And Yilma LLC | 2022–2023

- **Elderly Homecare (hospice):** Assisted clients in hospice with daily living needs to maintain self-esteem and general wellness, and built strong relationships with them to deliver emotional support and companionship.

COMMUNITY SERVICE

Oregon Hood to Coast Exchange Leader:

Volunteer Exchange Leader

- **Led** and managed a team of over 30 volunteers, delegating tasks to ensure the efficient operation of a major race checkpoint.
- **Coordinated** all on-site logistics, including the setup and breakdown of the exchange point, equipment management, and vehicle parking control.
- **Enforced** all race rules and safety protocols, managing participant flow in the exchange zone and ensuring proper use of safety equipment to maintain a secure environment.
- **Served** as the primary point of contact for volunteers and the on-site lead for emergencies, following established procedures to communicate with Race Control.

Community Outreach Volunteer

- **Coordinated** and participated in the annual "Shop with Kappas" community event, providing a sponsored shopping spree for underprivileged children.
- **Mentored** and guided youth during the event, fostering a positive experience while helping them select clothing and essential school supplies.
- **Engaged** in direct community service to support local families and provide a meaningful, positive impact for children in the community.

Literacy Volunteer

- **Partnered** with a local elementary school through my fraternity to read to children, helping to promote early childhood literacy and a love for reading.
- **Served** as a positive role model and mentor for young students in the community.
- **Paid Student peer mentor** for the upcoming freshman students through Beaver Connect (2024-25)

Community Service Volunteer

- **Actively participated** in a fraternity-led program to address food insecurity within the community.
- **Prepared** and served meals to the local homeless population, providing essential support to vulnerable individuals.
